## THE PLACE TO BE MERRY

The iconic Rosemount Hotel is located only a few minutes from Perth CBD. This makes it the perfect venue for your next function, social gathering or business meeting. Book in with our Functions Manager and make your next occasion a memorable one.

There are several areas throughout the venue, which can be tailored to suit each individual Christmas function.

# FOUR5NINE

Our newly renovated Four5Nine bar has it all: charm, a private bar for you and your guests, a stage, state of the art sound system, air conditioning and a wide range of local and international beverages. Four5Nine is the ideal setting for your Christmas party with various beverage and catering options to allow you to find the perfect fit for your function. Please keep in mind that as Four5Nine is predominately a music and cocktail bar, it does book out quite far in advance - especially around Christmas time.

Four5Nine - Private Function - cocktail style for up to 80 guests.

Equipment - there is audio/visual and DJ equipment available for hire. If you need any gear for your function, please let us know your requirements.

# THE BACKYARD

The Rosemount Backyard features trendy layouts and vibrant vibes, where you can enjoy a wide range of beverages and food items from our à la carte menu. Don't let the weather affect your plans - we have heaters and blankets to keep you warm in the winter and in summer our misting system and umbrellas will keep you cool.

There are DJs playing your favourite tunes in The Backyard every Friday, Saturday and Sunday. We also have an ever-changing roster of local bands playing on Tuesday evenings and Saturday afternoons.

## THE DECK

The Deck is situated in the heart of The Backyard and is within close range of the Garden Bar. It is partly covered from sun and rain, as well as being equipped with heaters and shade sails, and comfortably accommodates functions with up to 40 seated or 80 standing guests. Alternatively you can book the Half Deck, which can easily accommodate 35 standing guests.

## THE LAWN

The Lawn is a private oasis for those who want to enjoy the sunshine (or shade) while looking out over The Backyard. This intimate space is perfect for a standing cocktail function of up to 50 guests. The Lawn is ideal for sundowners with its chic furniture and festive lights.

# FUNCTION CATERING

During the Christmas period, we have three different menus on offer - set menus, platters or the à la carte menu. Whichever menu you choose to order from, your final selections are required to be ordered three weeks in advance and the remaining balance for the food paid with the order. This ensures all of your guests receive the meal they would like, and we can try and cater to any dietary requirements. We liaise with guests to offer catering options to suit specific dietary requirements.

## Platters

Our platter menu is available for all Christmas functions in Four5Nine and the Backyard. Our platter menu is seasonal to ensure the best quality and fresh ingredients. We recommend functions order at least one smaller platter per ten people or one larger platter per twenty people.

## Set Menu

The Set Menu gives you the option for either two or three courses to enjoy as a sit down meal.

### \$50 Gold

- three courses (entrée, main & dessert)
- a choice of three options per course per party

### \$35 Silver

- two courses (main with either entrée OR dessert)
- a choice of two options per course per party

## À la carte

We have refined the traditional pub menu to accompany our drink offering, presented in generous portion sizes, made with fresh and high-quality ingredients. Ranging from pub classics like fish & chips, parmigianas and delicious pizzas to small share plates and healthy salads, our menu satisfies all customers, all moods, and all potential levels of hunger!

# BEVERAGE PACKAGE

## Beverages on consumption

You set the price and what you want to include and we'll set up the tab. Beverages are available on consumption and can be revised throughout the night as your function progresses.

## Cash Bar

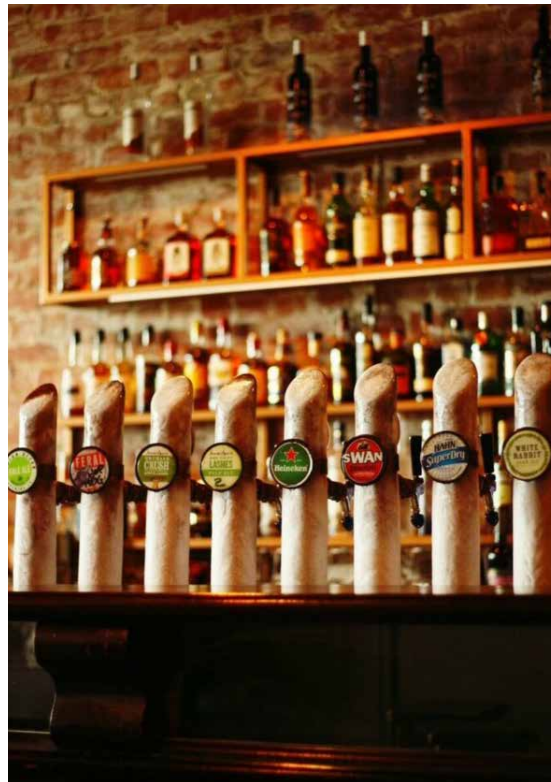

With beers and cider on tap, seasonal wines and a fully stocked bar with all your favourites, you and your guests will be able to select from a long list of beverages which are available for individual purchase throughout your function.

## Beverage package

Our beverage packages have been designed for those who wish to have a slightly more customised offering outside of a bar tab.

Prices starting from:

- 2 hours - \$38 per head
- 3 hours - \$48 per head
- 4 hours - \$60 per head
